Natural-look Decorative Walls & Ceilings

Why Guardian?

Our range of high performance interior decorative cladding is suitable for any room throughout your home and is ideal for bathrooms, wet rooms and shower enclosures.

Whether you want to create a calm relaxing space or opt for a more dramatic contemporary effect, you're sure to find the right look in the Guardian range.

Available in a variety of widths with varying lengths, on average it is at least 50% faster, and cheaper to install our panels than it is traditional tiles. Fitting is extremely easy and very quick providing a seamless finish and removing the risk of mould formation.

Ticks all the boxes ✓

Easy clean finish and low maintenance - no more cleaning and maintaining grout

Waterproof

Wide choice of colours and effects

Quick and easy to install

Transforms any room in the home

Guardian Luxury Vinyl Flooring

Installs over existing surfaces

Traditional Look, Modern Design

High quality, stylish and versatile, our panels are designed to create the look and feel of natural marble and stone, brick and timber, providing a striking, seamless finish that is an easy to clean alternative to paint, wallpaper and tiles.

The wide range of colours and effects, from natural to more contemporary designs, means there is an option to suit any home.

Silver & Decor Graphite

Bathrooms, Wet Rooms & Showers

Ideal for use in all wet areas, all our panels have 'tongue & groove' joints for the perfect waterproof fit and are covered by a 5 year warranty.

Quick to install

Waterproof, including shower stalls

Easy to clean

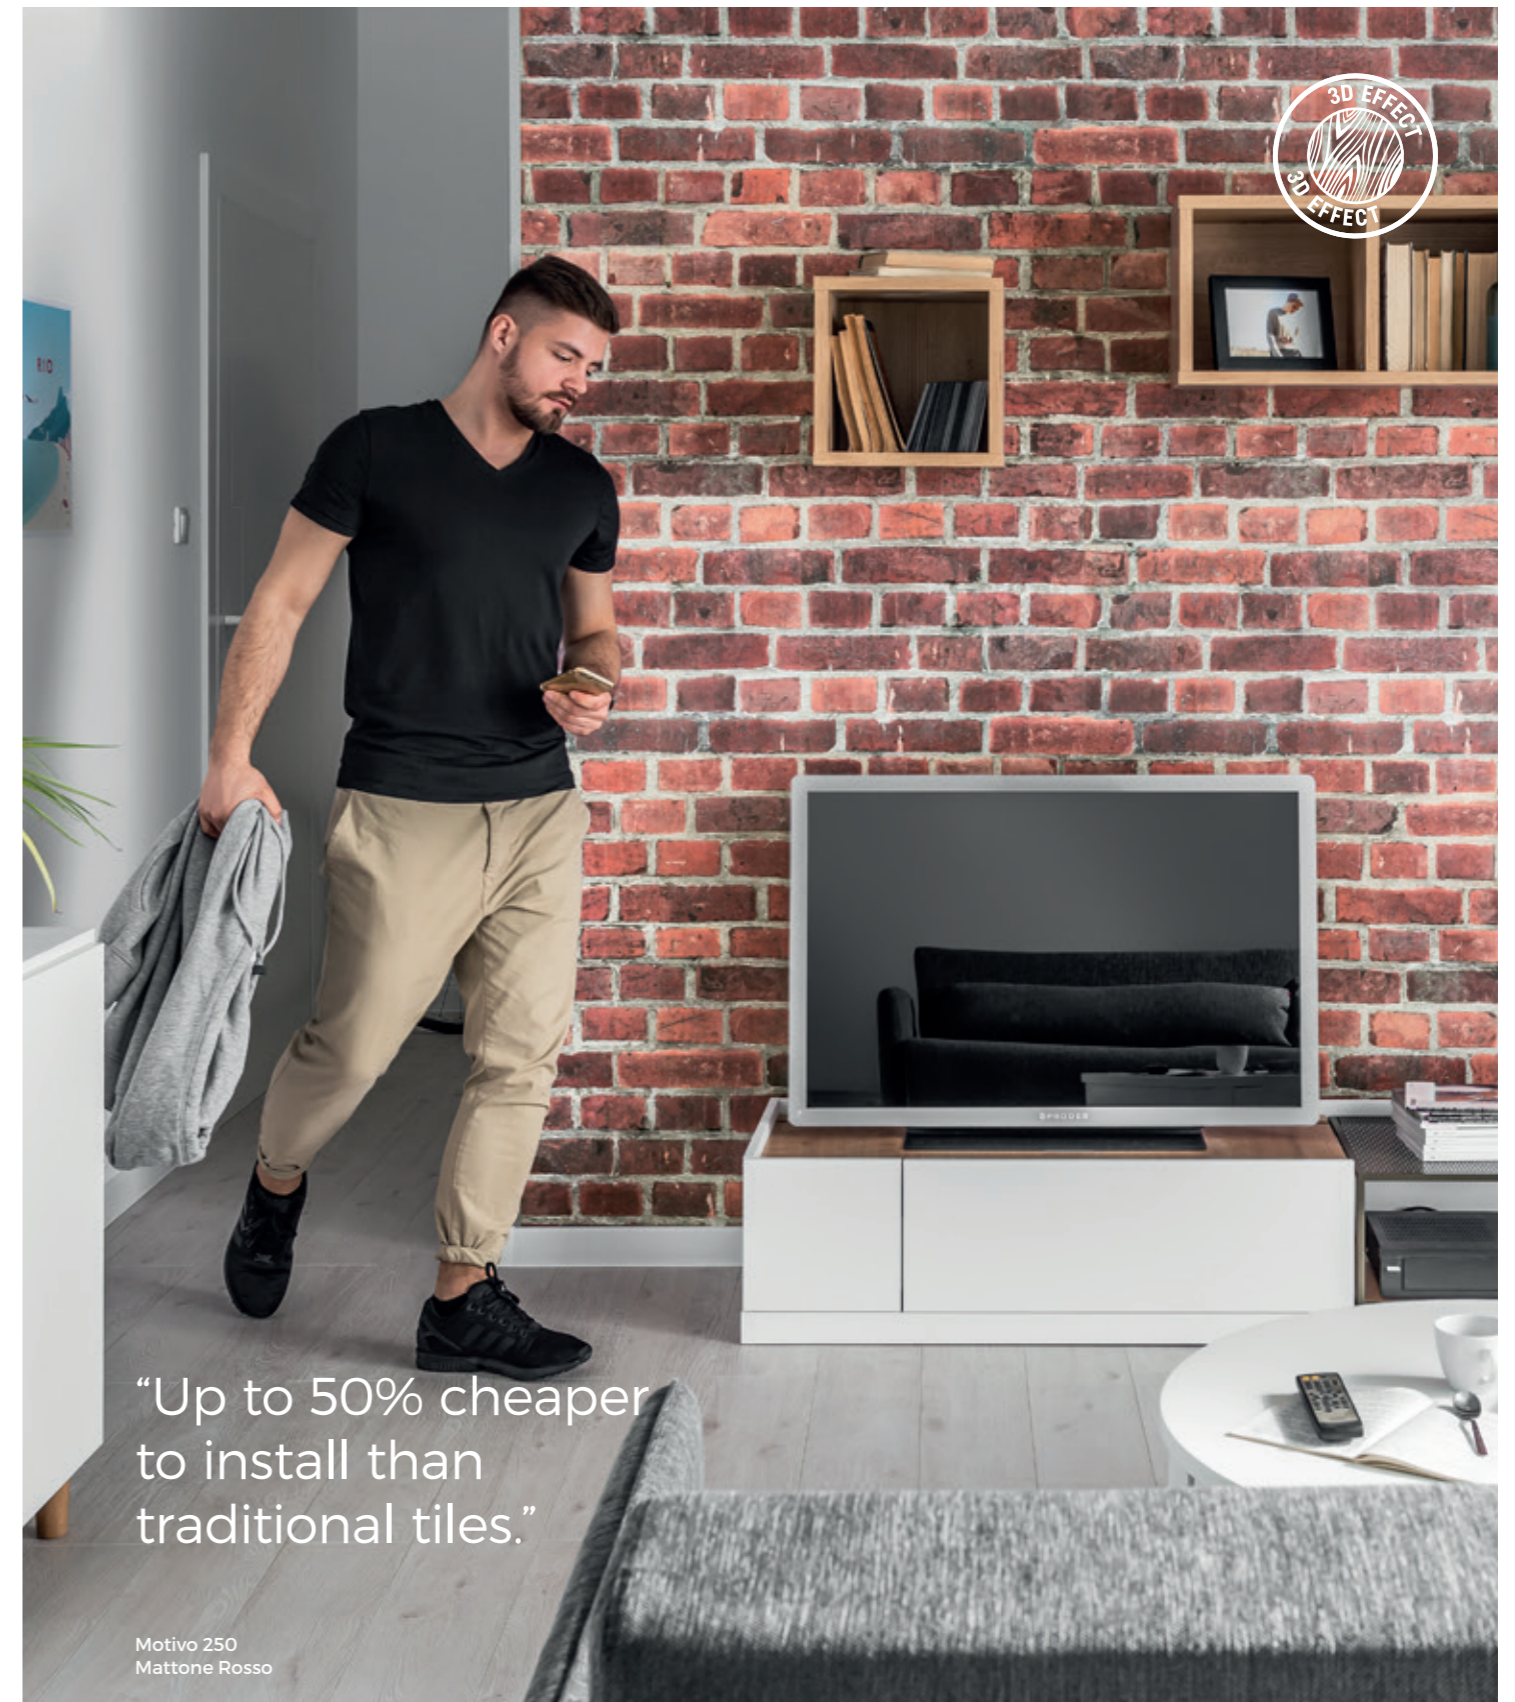

Digitally printed with ultrarealistic decoration effects

5 years warranty

Safe. Does not emit harmful substances to the atmosphere

“Up to 50% cheaper to install than traditional tiles.”

Motivo 250
Mattone Rosso

Quick & Easy Installation

On average it is at least 50% faster and cheaper to install our wall and ceiling panels than it is traditional tiles, and our panels do not require specialist fitting as there is no need for grouting.

If walls are dry, clean and flat, then very little preparation is required before installation. Our panels can even be installed over existing tiles.

Trims and corners are available to compliment the range, completing the look and providing a professional finish.
