Modernist Doors

Shepley

Carefully curated in-house, our non-toxic, odourless, low emission and eco-friendly paint range offers something different.

Each door is sprayed by our skilled paint specialists using the very latest technology to achieve a high quality, durable finish. This also ensures a perfect colour match between the door and moulding on the glazing cassette.

Disclaimer:
Colours shown should be used for guidance only as the limitations in the printing process may mean that colours vary from those illustrated.
